What Have We Been Up To?

We visited Afton 2 weeks ago to meet up with Kerry Prosper and the youth of their community to spend the night and go out on the

ice to go eel fishing with spears, we had a very good time but unfortunately never caught any eels, but we got to meet many other youth that we will hopefully be meeting up with later this year to work on some projects.

Q&A

Q: How many
species are at
risk in Nova
Scotia

A: 27

Youth Network

Well this weekend we attended the Youth Network which is a meeting of youth groups from other First Nation communities that are all going to make one network it was held at Mersey Tobetic Research Institute (MTRI) with a fun filled day of Talking circles, learning how to track turtles and flying squirrels getting to know the other youth and making lots of plans for our Youth Network.

Looking For Donations

We have Currently been Rebuilding Merwyns' shop for it to be our new youth center and we are looking for any donations like old furniture, chairs and a good size table and any other odds and ends we could use .

Also we are going to be selling tickets on a food/gift basket for a fundraiser and we are accepting any donations of goodies or little gifts to put in it .

Any And All Donations Are Welcome!

50/50 Winner!

The 50/50 winner last week was Carol Ann Potter, she won \$44 and then donated it back to the youth group, Thanks a lot Carol Ann!!

The 50/50 winner for this week was Oakley White-Harlow, with her winnings of \$47.50, Congratulations!!

L'sitkuk environmental youth group has currently been selling 50/50 tickets. There will be weekly 50/50 draws. Every Monday they will be drawn. Tickets are \$1.00 each or 6 for \$5.00.

What are we raising money for?

Our youth group has a variety of projects and activities we have planned but cant do unless we raise the money.

**Want to get
involved?**

We are always looking for people to help out. If you are interested give us a call or send an email to :
